

The present invention is to provide processes for the preparation of the novel pyrazolopyridine compound or a salt thereof. It is to provide a method for using said pyrazolopyridine compound as aforesaid therapeutic use, which comprises administering said pyrazolopyridine compound to human being or animals. The novel pyrazolopyridine compound of the present invention can be shown by the following formula (I)

where in R₁ is aryl, R₂ is alkyl (lower) alkyl, and A is lower alkenylene.
